

Bibliography: Literacy and AAC, Literacy and Disability

The following is a list of articles that we have found instructive about Literacy and AAC:

(Please note that this is not a comprehensive list.)

Bedrosian, J., Lasker, J., Speidel, K., and Polisch, A. (2003). Enhancing the written narrative skills of an AAC student with autism: Evidence-based research issues. Topics in Language Disorders, 23(4), 305-324.

Bird, J., Bishop, D.V.M. & Freeman, N. (1995). Phonological awareness and literacy development in children with expressive phonological impairments. Journal of Speech and Hearing Research, 38, 446-462.

Bishop, K., Rankin, J., & Mirenda, P. (1984). Impact of graphic symbol use on reading acquisition. Augmentative and Alternative Communication, 10, 113-125.

Bishop, DVM., & Robson, J. (1989). Unimpaired short term memory and rhyme judgement in congenitally speechless individuals. The Quarterly Journal of Experimental Psychology, 41A(1), 123-140.

Blackstone, S. (1989, Jan) ACN's guidelines for teaching literacy skills. Augmentative Communication News.

Blischak, Doreen M. (1994). Phonological awareness: Implications for individuals with little or no functional speech. Augmentative and Alternative Communication, 10, 245-254.

Blischak, Doreen M. (1995). Thomas the writer: Case study of a child with severe physical, speech and visual impairments. Language, Speech, and Hearing Services in Schools, 26(1), 11-20.

Blischak, D. & Schlosser, R. (2003). Use of technology to support independent spelling by students with autism. Topics in Language Disorders, 23(4), 293-304.

Block, J.D. (1978). Teaching reading and writing skills to a teenaged spastic cerebral palsied person: A long-term case study. Perceptual and Motor Skills, 46, 31-41.

Blockberger, S. (2005). Continuous Improvement: Promoting Literacy Instruction for AAC users in inclusive educational environments. Figuratively Speaking,

The National Newsletter of the Canadian Chapter of the International Society for Augmentative and Alternative Communication, Number 26, 4-5.
